

KISA CRITICAL INFORMATION SUMMARY

KISA Plan

1. Information about the Service

What is the Service?

The KISA plan is a mobile service provided over the Vodafone mobile network. This service can be used to receive calls from any number and to make calls only to specific Australian numbers as configured on your KISA Phone (Handset). The Service cannot be used to make or receive text messages or data communications.

Equipment Required for Use of Service

A KISA Handset is required to use this Mobile Service. Please refer to our website on information about how to purchase and customise a KISA Phone. The cost of a KISA Handset is \$254.00, including configuration.

No bundling, no lock-in contract

No other telecommunications service is bundled with the Service. There is no minimum term for this plan.
